

**Scott Johnson**  
**Vice President Marketing**

Johnson is responsible for national strategic marketing initiatives that include: communications, digital consumer programs, clinical and outcome engagement as well as brand and creative direction to support core operations.

Since joining ThoraGenix in October of 2022, he brings over 25 years' experience in healthcare with expertise in sales and marketing. He has been involved in early stage start-ups, product introductions and launches. Johnson has served in key leadership and executive roles in the medical surgical device industry.

Prior to joining ThoraGenix Johnson served as Vice President of Business Developing and Strategy for Regenerative Practices of America as well as previous roles at Mazor Robotics, Medtronic, Synthes and Southern Neuro Physiology.

He has a Bachelor of Science in Communications and a minor in Science from Iowa State University and Columbia College.
